BIO

Johanna Beekman (RYT-500) is a kirtan artist, sacred songstress, and multi-genre recording artist who is loved for her rich, soulful voice, radiant spirit, and inspiring songs and chants that tap deep into the collective soul. She sings and teaches at leading festivals and studios across the country. Her songs have been nominated in conscious music awards and included in White Swan Records' Best Yoga Music of the Year playlist. She created Lullaby Yoga™, the Free Your Soul's Voice playshop, and Shakti United! a "spiritual Lilith Fair" which empowers the female voice and supports girls' education.

Her kirtan albums, *Heart Beats One* and *Beyond Love*, have been described as *stellar... stunning... gorgeous... magical... mystical... sweet... healing... haunting... amazing... extraordinary... a beautiful achievement... deeply healing... sublime... delicious... blissful goodness... and more.*
